Remarks

Wake up to breathtaking sunrises over Greers Ferry Lake and watch the moon rise behind iconic Sugar Loaf Island-this is a home and a view you won't soon forget. Thoughtfully built with exceptional craftsmanship, every detail reflects quality, from the warm oak flooring and beautiful Italian tile to Anderson windows and doors and masterfully crafted cabinetry. The main level welcomes you with a spacious primary suite, comfortable family room, music room, inviting kitchen, and a 3-car heated and cooled garage. A separate heated and cooled workshop offers wonderful space for hobbies and projects. Cozy up by the wood or propane fireplace and enjoy the comfort of dual-fuel heat. Downstairs, guests and family will feel right at home with 2 bedrooms, a full bath, large den/family room with wet bar, office, and generous storage. Just minutes from swimming pools, two 18-hole golf courses, pickleball, tennis, bowling, hiking and biking trails. More than a beautiful home-it's a place to slow down, enjoy the view, and love where you live.
